Fire in Wilmot.

On Friday morning last about five o'clock a fire broke out in the storeroom of Christian Lentz of Wilmot. His &c., and was in one part of the building used by himself as a dwelling house The fire could not be arrested until it had consumed the whole building together with the greater part of its contents. His loss is supposed to be about \$2.000, and we understand his insurance had run out. The building was a new and handsome one. Mr. Lentz intends rebuilding immediately.
